

A POSITIVE SLEEP THERAPY EXPERIENCE

PERSONALIZED CARE

Your comfort and convenience are important to your sleep health and education. Our trained sleep team will schedule your equipment set-up & training to be performed in the comfort of your home, office, or at our on-site CPAP clinic.

SLEEP COACH TEAM

Sleep therapy has great health benefits, but only if you have access to the support you need, when you need it. Choosing Integrated means you will have a team of Sleep Coaches who are here to help whenever you need them, 24-hours a day.

ON-SITE CPAP CLINIC

Being available to our patients is important to us. That's why we offer the area's only on-site CPAP clinic. You can schedule an appointment with a Sleep Coach Monday through Friday by calling 815-227-0202.
